GP CARERS RECOGNITION WORKERS for North West Surrey and South East Surrey

We are offering an exciting opportunity to work on the rollout of the successful Carers Recognition worker project currently running in the South West of Surrey. Using proven methods of engagement, two new additional posts will develop a similar service in North West Surrey and South East Surrey, working with Primary Care Teams to raise awareness of carers and to encourage recognition, registration and support for them in the Primary Care setting. We are looking for individuals who can champion the importance of identifying carers against the competing demands of a busy GP surgery. You will need to be diplomatic, resilient, a self starter, flexible and most importantly committed to improving recognition and support for carers in primary care.

The North West Surrey position will be based in Woking and The South East Surrey position will be based in Bletchingley but both posts may require hot desking at other sites and will involve travel across their respective areas.

Closing Date: 20th September 2010 9am
Interview Date: 4th October 2010

All posts will be subject to CRB enhanced checks.
All Applicants should have a full driving licence and use of a vehicle.
Action for Carers (Surrey) operates an equal opportunities policy.

Only applications on our forms accepted.
